

CAVA·57[®]

— EST. 2012 —

EVENTOS

We know how important it is for you to create *unique memories*, so we will help you achieve the *event of your dreams*, every detail will make it perfect.

Our CAVA 57 project was born from the passion for wine of our founder who learned about the culture of the vine in the area of Burgundy, France in the mid-80's. The decision to plant vines was made in 2012 with the objective of producing quality grapes and wines in the valley of San Juan del Río, Querétaro.

CAVA 57 is located at km. 173.6 of the Mexico-Querétaro Highway in the Senegal ejido of Palomas, San Juan del Río, Querétaro. We currently have 7 grape varieties among which: Reds: Merlot, Syrah, Malbec, Marselan. White: Xare-lo, Macabeo and Parellada.
